## SHARED CHALICE

The PCC has been asked to return to having the Chalice during Communion. There are a range of opinions about this in our PCC and widely differing practices across the Diocese and country. The PCC, before making a decision, would like to consult regular worshippers in our congregation. There will be a 10-minute meeting at the end of the church service on **Sunday, 28<sup>th</sup> May** to do this. The PCC and Reverend Phyllis will consider all views before coming to a decision for our future practice. If you wish to submit your views in writing, please submit them to the wardens and to Phyllis. Thank you all for your support.

## ORGANIST ENTERTAINS

Tomorrow, our organist Roger and his friends will entertain us with the usual Bank Holiday Monday concert, starting at 1.00pm but before that delicious soups and rolls will be served at 12.30 pm. Entry is £6.00 and we are very grateful to those who support these events, which do help the finances of our beautiful church. £197.00 was raised at the last concert, let us see if we can do the same again.

## AN EVENING WITH CHARLES HANSON

Charles will talk about his life in antiques. Please note this is not a valuation evening. Tickets are now on sale from Joycelyn at £15.00, which includes a cheese and wine supper, to follow.

## CHURCHYARD

We continue to be so grateful to volunteers for the work they are doing in the Churchyard to keep our lovely, peaceful, green space neat and tidy. The grass and weeds are growing fast at the moment and we continually receive complaints about the state of the churchyard. We do regret that financial and physical help is in short supply to keep the site in pristine condition and we would point out that the members of the church themselves, together with the volunteers do their best with the limited resources. If you feel you can help in any way please contact Margaret on 01283 813366, this would be much appreciated.

**The Care for a Square** initiative has been very successful, with people coming forward to care for a square, which can be planted. Mostly roses are planted in the squares, but perennials and annuals can be added. Again if this is something you could help with, please give Margaret a ring.

**PRIORY DIARY** if you wish to add anything, please let Joycelyn know.
