# A.R.T. PARISHES MAGAZINE

Welcome to the March 2025 Edition of the Magazine for the Churches of Anslow, Rolleston-on-Dove and Tutbury.

My Friends

As the Benefice is in vacancy and realistically, is likely to be so for some little time, many more of us will have to step up to the mark and do things we wouldn't normally do. It is in this vein that, as a PCC member at Tutbury as well as being the parish's Safeguarding Officer, I am having a go at writing this Pastoral letter this month.

My main theme, as kindly suggested by Reverend Dave who is recovering from his knee replacement operation, is co-operation, sharing and understanding. Pastoral care in each of the three Parishes necessarily is now falling on to the already hard-working Churchwardens. So what can the rest of us parishioners do about it? The best way is first, help spread the workload by coming forward and volunteering. One perennial example is to act as Verger for events and services where the church needs opening, locking-up and in between being on hand to ensure all goes smoothly. I am sure there are many ways that most of us can do more during this vacancy. Let us all look after our Churchwardens by giving them more time to do the essential parish tasks which will be multiplying during this Vacancy.

Life goes on and there will always be times when some parishioners or someone close to them need support. Please do be vigilant, patient and help with time, kind words or more practical measures as appropriate. Of course, do not be afraid to point them at others in the church or local community who may be better able to minister to the person having a problem.

Finally, the 5th March is the start of Lent. So I offer this prayer to you:

*Dear Lord,*

*In this month when Lent begins, we remember the difficult journey Jesus made to the cross, to take upon Himself our sins and the sins of the whole world, to bring us the hope of eternal life by His resurrection.*

*Lord, we bring to You our own journeys through our daily lives. We bring our disappointments, our bewilderment, our pain, as well as our happy times. We thank You that You are with us in and through all of it.*

*We thank you that the message of Christmas is the message of Lent and the message of every day – You, our God, are with us always, giving us hope and life, because of Jesus.*

*Thank You that He made that journey for us, and all we have to do is trust in Him. Help us to do that and to share His good news with others, especially those in distress. We pray in His name. Amen.*

God bless you all

Philip Norris - Editor of the ART Magazine 2

## **Vacancy in the Benefice:**

As is customary near to the start of a vacancy, Bishop Matthew and Archdeacon Megan visited all three parishes of the Benefice. Anslow and Tutbury's visitation was held on 4th February and Rolleston on 11th February. Checks were made that all procedures were correctly in place and being observed. Discussions were held with the Churchwardens, PCC members, Treasurers, Safeguarding Officers and members of the congregation.

We learned that we cannot advertise for a new Vicar for 6 months. Holy Trinity is very special and one family have been worshiping in the church for nearly a hundred years.

We asked members of the congregation to write down their thoughts regarding what they would like to see in a new vicar and also what they liked about coming to Holy Trinity Church and how we could encourage more people to come. These were all emailed to Bishop Matthew and Archdeacon Megan.

We had some lovely messages, Just a few printed here:-: *We are more than just a person at Holy Trinity we are like an extension of our families, who support one another and we enjoy our fellowship and friendship throughout/ We work well together and have fun doing it /We attended our first service and it was like coming home. This small congregation ..../*

*/...of incredible people show strength, determination and love in everything they do.*

*We have a small tight knit congregation who care for the fabric of the church and it's grounds by raising funds through village events and calling on the Anslow population for their help when needed.*

*The consensus of opinion for the new incumbent would be that they were kind/ compassionate/approachable/ had a sense of humour/were willing to visit the school and nursery /Pastoral care within the community / Someone with fresh ideas and modern, friendly services that encompass all generations.*

Let us pray that the churches in the Benefice will not be without a vicar for too long. In the meantime our Churchwardens are doing a grand job in trying to make sure our services are well covered. We are indebted to our Rural Dean and Retired Priests who are helping us.

We will continue to welcome everyone on a Sunday morning with a cheerful smile and a cuppa after the service. We hope you will bear with us at this time and support us over this difficult period.

## **Anslow Nurseries:**

We are sorry to say that Janet Stone passed away on 1st January 2025. She was a lovely lady who will be sorely missed. The family have always supported the Church with donations and supplying us with plants for the grounds.

You are all in our prayers and we are thinking of you at this sad time.

### Revd Dave Robbins:

All at Holy Trinity Church wish Rev Dave a speedy recovery after his knee operation.

### Acknowledgement:

A big thank you to Helen and Stephen who very kindly offered to pay for the yearly collection of rubbish from our 2 brown bins. We couldn't do without these bins as they are always full to the brim every fortnight.

### Anslow WI:

The February meeting was well attended. The speaker was Chris Austin aka Chris Stratham "Into the Shadows". Chris had lots of inside information about the group as he was a friend of one of the members.

The Shadows were the band that provided the soundtrack for the early 60's. They had 5 number 1 singles and 69 chart entries over 5 decades. The talk was brilliant. Chris also played his guitar for us, playing some of the 'Shadows' hits. He had us all tapping our feet. The music I am sure brought back many memories too of our younger days and the fabulous tunes of that era.

The 'Bring and Buy' stall was busy. Thanks must go to the ladies who served delicious cake and drinks afterwards.

Members enjoyed the visit to Birmingham Hippodrome in January to see 'Peter Pan'.

The start of the Breakfast Club at the Garden Cafe in 2025 was a huge success with a record amount of members attending. There are lots of events to look forward to in 2025, Darts Match, M & S Archives visit, Butterfly walk ..../

/.... and many more.

Next Meeting 11th March.

## The Crisis in our A & E Departments

Reform the NHS, or half the population could end up in A&E. That is the dire warning of the medical director for NHS in England.

Sir Stephen Powis says that the health service must 'go for broke' in delivering more care outside of hospitals, if the A&E system is not to face a total collapse. There are simply too many of us turning up at A&E departments.

Looking ahead, Sir Stephen, the top doctor in England warns: "If A&E attendances increase at the same rate as they have over the past 10 years, NHS staff will need to manage six million more A&E attendances every year from 2034.

In the end, that would mean "the equivalent of almost half the population attending A&E at least once every year – that is not feasible for a 21st-century health system. Instead, millions of patients will need to receive the care and support they need outside of a hospital."

Sir Stephen's warning came in a recent speech to the Liverpool Medical Institution.

## A Lent Reflection

Somebody asked a Christian friend why he was eating doughnuts, when he had given them up for Lent! He answered, 'At the bakers I told God, that if He wanted me to buy doughnuts, He should provide a parking space in front. On the eighth time around, there it was!' Rather than seeing Lent simply as a time to give things up, let's use it intentionally for self-examination, reading Scripture, penitence, fasting and prayer.

At Jesus' baptism, God's voice says, 'You are My Son, whom I love; with You I am well pleased.' (Luke 3:22). The Holy Spirit then leads Jesus into the wilderness, where we find Him coming to terms with who He is. Satan's temptations challenge Jesus in key three areas of His identity: His divine sonship, political power and Messianic role (Luke 4: 1-13). It is as though Jesus was looking into the mirror at Himself to discern what kind of Saviour He should be. ♪

For us, Lent is an opportunity to hold up a mirror to ourselves and ask the question, 'who am I? It's a season of honest encounter with who we are, what we've done, and how we should live. What will we see when we hold up the mirror to ourselves? Keeping Lent, the 40 days running up to Easter, could mean taking time to read Scripture, studying a Christian book or spending five minutes each day in silence! We might fast by missing one or two meals, refraining from TV, alcohol, social media, or scrolling on our phones. All of these can help us to give more attention to God in our lives.

Whatever we do, Lent is a season for self-reflection, as we put ourselves in a position to receive afresh the forgiveness and healing that God offers.

# Smile Lines

*NOTE FROM EDITOR: To help us get through the difficult time of Vacancy, I offer some thoughts to make you smile. Let me know if you would like to include some of your favourites in future editions.*

## **Snoring**

A clergyman consulted his doctor about his wife's snoring. "It has to STOP," he insisted. The doctor was intrigued: "Does it really bother you that much?"

"Well, it's not just me," confided the minister. "She is bothering the whole congregation."

## **Beware of these contagious diseases in church**

Frontophobia: A morbid fear of the front seats in church. The sufferer is struck by an attack just inside the church door, and so collapses in the nearest back seat.

Ear Frequency Destruction: Caused by sitting near the loudspeaker when the minister is singing full volume, off-key, etc., into the microphone.

Sermonic Throat: A dreaded choking caused by the start of the sermon. The sufferer unwraps a sweet very slowly and noisily, which seems to effect a complete cure.

Double Auricular Clearance: A condition due to the simultaneous opening of both ear ducts, which allows sound to enter one ear and leave the other without any absorption thereof. Condition is acute during Bible reading and sermon.

Retarded Vocal Response: A condition which causes the sufferer to try to sing slower than the organ.

Theexits: A condition where the sufferer rushes for the exit before the minister gets there.

## **New meanings**

Dogma - a puppy's mother   Polygon - a lost parrot

I'm giving up eating chocolate for a month. Oh, wait, sorry, bad punctuation. I meant, I'm giving up. Eating chocolate for a month.

## **Miscellaneous observations on daily life**

A bank is a place that will lend you money if you can prove that you don't need it.

A healthy adult consumes each year one-and-one-half times his own weight in other people's patience.

A pun is the lowest form of humour - unless you thought of it yourself.

Based on my calculations, I can afford to retire five years after I die.

Birthday cake is the only food you can blow on and spit on, and still everybody rushes to get a piece.

Coffee: starter fluid for the morning impaired.

Hospitality: making your guests feel like they're at home, even if you wish they were.

## Vacancy

As is customary, in these vacancies, Bishop Matthew (Stafford) and Archdeacon Megan's carried out a Visitation to Tutbury (and Anslow) on 4 February. They had meetings with key people in the Parish to gather information and see a clearer picture into the life, worship and ministry

..../

/.... Of our church and the Benefice as a whole.

The consensus was that the meetings were helpful and provided us with a feeling of wellbeing. Lunch too was convivial and relaxed.

If anyone has some questions they would like to put to the Diocese, Churchwarden Margaret or Jackie would be pleased to pass them onto Megan and Matthew.

One thing that we learned was this vacancy is unlikely to be a short one.

## Church Cleaning Days

As stated in the February edition, the Church Spring-Clean did take place on 17th January. The number of volunteers remains a bit low. It may be that holding the clean on another weekday may draw more volunteers.

If you are willing to help out, do contact Jackie or Margaret.

## February Fellowship Lunch

### - 9 February

This annual event, previously called 'Valentine's Day Lunch,' took place in church after the Sunday Service. There was good light lunch of Jacket potato with a choice of fillings, salad and puddings - The bread and butter pudding was particularly nice.

It was a good time for a good extended chat in good fellowship. Our thanks must go for the indefatigable contributors to the food and the servers.

We do ask to use these bins only for the specified items - i.e. weeds, grass cuttings, dead flowers and greenery. However, please do not use them for other items such as paper, artificial flowers and the like. As you will know, the Council have a strict policy of not collecting brown bins with such contaminants. So, please take these contaminants home to dispose properly in your own grey or blue bins.

Our February speaker was Colin Petty from Aquabox. Colin informed us that Aquabox is a charitable organisation founded in Wirksworth 32 years ago by members of the Rotary Club. He informed us that, sadly, whilst the Rotary Club is no longer running Aquabox is a thriving community project with over 70 volunteers who come to their depot each week to, assemble, test and pack the family filters as well as Aqua-Aid boxes. ..../

/.... Colin explained in the beginning the Rotary Club were packing plastic crates with a tap and chlorine tablets that when empty could be used to produce safe drinking water and about 10 years ago they were introduced to John Griffith who had created a hand pumped water filter. He explained it works by a central core of straws which traps the impurities and releases the clean water.

Colin informed the members that Aquabox filters and Aquabox-Aid boxes, have been distributed around the world to countries suffering from natural and man-made disasters providing safe drinking water to hundreds of thousands of people.

Colin shows us the contents of an Aqua-Aid box which costs £150 to fill and have the basics in that a family would need.

Colin invited our members to come and see the work they do at the factory in Wirksworth, and we are planning a trip for later in the year.

*Message from the Editor.* The Vacancy has provided us with an opportunity to expand the scope of this magazine and spread the load for contributions to this Benefice mis-sive. Now more than ever, we should be looking out for each other as well as keeping cheerful and in touch.

In that vein, I am happy to receive contributions from new correspondents such as news, suggestions, Benefice Recipes (Page 16), or an interesting piece for news or commentary (centre two pages).

During this difficult time of vacancy. I am happy to pass on suggestions on how we could improve the workings of the Benefice; in confidence if that is what you would prefer.

## Benefice Confirmations - 6th July

Following invitations announced in Benefice Churches recently for persons wishing to re-confirm their faith through the sacrament of Confirmation, we have been informed that Bishop Matthew will be presiding at a Confirmation Service to be held at St Mary's Priory Church, Tutbury at 10am on Sunday, 6th July.

If you wish to be confirmed, do please contact one of your Churchwardens in your parish.

## 2025 – Time for a New Church Electoral Roll

This is the year when EVERYONE in the Benefice and all Church of England parishes needs to make a definite decision to come back on to their parish's Roll again.

It happens in the Church of England every six years. Whereas for five years, the Electoral Roll is revised annually our Electoral Roll Officer, in this sixth year, the roll is dissolved, and we must all re-apply and re-commit ourselves.

It is in each parish's interest for the future of that parish to ensure that all persons who want to be included in future, are included.

Shortly, each parish's nominated Electoral Roll Officer (usually a Churchwarden) will be distributing Electoral Roll forms to their congregation for filling in and collection.

If you know of someone who is unable to be in church at the time of form filling, do please ask the Electoral Roll Officer or one of the Churchwardens for a form for you to pass on to that person.
